KAIRO'S #27 SEPT 29-30 Oct 1-2

The Kairo's Prison Ministry takes a group of 24 inmates for 4 hours on Thursday, 12 hours on Friday and Saturday and 8 hours on Sunday to teach them Christian principals and how to have a Christian community within a prison. Andres Galego, Danny Walker and I are the FBC members on this 22 person team. Things you can do to help the ministry.

Sign our pray sheet pledging to pray during the four days.

Starting Sunday September 25, bring packages of sliced cheese (need at least 100 slices), at least 5 dozen hard boiled eggs (unpeeled), boxes of snack cakes and packages of non chocolate covered cookies. We need 75 packages each. We will pass out sacks of 18 cookies to each of the 2000 inmate plus sacks of 12 to the officers and staff. That comes to about 45,000 cookies we need for the 3 1/2 days.

Cash donations. Our team fees are \$165 each. Plus donations will help buy the fruits, fresh veggies, punch, coffee and the 5 catered meals we will be serving for the 3 1/2 days.

PSALM 27 WOMEN'S TRANSITION

I have been reminiscing over the past year. Yes, I realize it's not that time of year. However, our Church family has been so good to us I need to say thank you. We are grateful for your support. I really wanted to give a list of names, but I am afraid I'd miss someone. So many of you have given of your time, money, and resources thank you does not seem a enough.

We are grateful and proud to be a part of FBC. A special thank you to Pastor Billy. You have supported and helped us in so many different ways. Glory to God. Thank you Janet Ball

AIDE FOR UKRAINE OCTOBER 2, 2022

Sunday October 2nd I will be leaving for Ukraine with a small team. My plan is to fly into Poland and then travel to Lviv, Ukraine. I will be carrying as much medications and medical supplies as I can to the Ukrainian hospitals and volunteer where I can. Last April we brought a ton of supplies to Ukraine and in October we are planning on bringing 2 tons of medications and medical supplies. Lviv has been called the city of refuge in Ukraine. Many wounded and displaced people have come to this city. I feel that the Ukrainian people are important to God, therefore the Ukrainian people are important to us. If you are interested in helping us with this endeavor, purchase lifesaving medications and medical supplies for hospitals in Ukraine, and help with the freight cost, funds can be sent in a couple different ways.

1. Write check to First Baptist Church of Malvern and put in memo, Aide for Ukraine.

2. You can give online to First Baptist Church of Malvern. Go to giving and then drop down choose Aide for Ukraine.

So if anyone is wanting to make a difference in Ukrainians lives affected by the war, we will be bringing enough life saving medications and medical supplies to save the lives of at least thousand Ukrainians.

Ukraine Continued:

I heard a Ukrainian refugee in town square in Poland say, "Atrocities are occurring, we are dying in Ukraine, can you send us food, can you help us with shelter, can you send us medications? Can you help just a little bit?" My answer is yes, during World War 2 with the Nazi invasion of The Netherlands, I had family members that only survived the war due to the generosity of strangers, if they did not receive this help, they would not have survived the war. Now it is our turn to help those in need. There is a little risk in making this trip, so I would appreciate your prayers.
