## YOUR CHURCH NEEDS YOUR HELP!

There are a few things that I would like to see happen in our church. I need a few people to be willing to take on the responsibility of a few ministry opportunities.

**Photographer/ Videographer:** We are still looking for a church member or members to take on the role as Photographer/Videographer.

You would take photos at church events and work with Connie Rook (Social Media & Website Director) to get the photos on social media. Contact Pastor Billy or Connie Rook for more info. Also, feel free to partner-up which makes it easier to get the most pictures.

**Education Director:** Steve Still, FBC Education Director. He will be reaching out to our Sunday School teachers this week. Our Wednesday night classes will begin in the fall. We are in need of two more teachers for adult classes. Pray about it and ask Steve for more information.

**Social Media and Website Director:** Connie Rook, Social Media Director. Please send complete information about your event along with pictures by text, FB messenger or email, then follow-up with a confirmation call to make sure the process worked properly. You can contact Connie 479-234-9189 text or call, email [crook@fbcmalvern.org](mailto:crook@fbcmalvern.org).

If you have a desire to serve in these areas, please contact me. I will work to get everything you need to be successful in your service to the Lord. Remember, this is not something that you will have to do alone. You can form a team.

Thank you so much for your consideration. I pray to have these ministries up and going by August.
