NEW MINISTRY

We have received permission from Malvern High School Administrator to provide discreet personal care packages that include feminine hygiene products and an encouraging note for young ladies at the Wilson (5th & 6th grade) and intermediate (7th & 8th grades) schools. These care packages would be greatly appreciated and that there is a definite need for them.

Did you know that 1 in 5 girls in the USA do not have access to these products even to the point of missing school?

An organization is already donating products to the high school. Donations of products such as deodorant, feminine hygiene products may be dropped off at church office or in the pink plastic tote by the table just inside the gym door of the FLC. Monetary donations designated for this ministry may be given in lieu of products, just put a note in the memo line what it is for. Thank you for considering being a part of this ministry. It's just one way we can be of service and demonstrate the love of Christ. Donations will be accepted from time to time. This is will run from now to December 3, 2023.

If you have questions contact Cynthia Braziel 501-844-1104.

PREGNANCY RESOURCE/ BREATH OF LIFE NEEDS

Winter is coming and we are in need of sleepers in sizes 12 - 24 months, 2T, and 3T. If you have a child or grandchild growing out of these sizes, would you consider donating them to Breath of Life? Or, if you are able to purchase some, we would be so grateful. We are open on Mondays and Thursdays, or you may contact us at 501-332-2994 and we will make arrangements to get them.

THANK YOU for supporting mommies in our community. It matters to them, to us, and to the LORD.
